Now more than ever, God is calling us to be a welcoming church for such a time as this. People are longing for community that welcomes, cares for one another, serves those in need, and has authenticity in our desire to worship and serve God. Chatham UMC is poised to be the place that people are looking for. Our church office is fielding calls from schools, scout troops, sports teams, businesses, and people of conscience, asking how they can help us with our ministries to those who are hungry. All of this ministry, outreach, welcome and community-building costs money. Your ongoing contributions make it possible for Chatham UMC to be an expression of Christ's love for all people and all of creation. Thank you.
